OBJECTIVE

Motivated Software Engineering student seeking a challenging and rewarding role to apply and expand full-stack development skills, contribute to impactful projects, and grow into a professional software engineer.

EDUCATION

BS in Software Engineering, Superior University

2022-2026

SKILLS

Languages C++, JavaScript, Python

Technical Skills HTML, CSS, React JS, Node.js, Express.js, MongoDB, Next.js, Nest.js, Tailwind CSS, Flutter

Experience

Web Dev Intern

Jul 2025 – Present

Global Study Expertz

Lahore, Pakistan

- Developed and maintained web applications using the MERN stack.
- Built responsive UIs and integrated APIs for seamless user experiences.
- Optimized performance and ensured cross-browser compatibility.

PROJECTS

Netflix Clone - Responsive Landing Page (HTML, CSS). Developed a pixel-perfect, fully responsive Netflix landing page using HTML5, CSS3, and modern CSS Grid/Flexbox. Designed with a mobile-first approach, incorporating smooth animations and cross-browser compatibility to ensure seamless performance on all devices. Optimized images and CSS for fast load times, resulting in an enhanced user experience.

Student Management System - Java Swing & MySQL. Built a GUI-based desktop application for efficient management of student records, including add, update, delete, and view operations. Integrated MySQL for secure and structured data storage, ensuring reliable performance and smooth data handling.

Little Momo - Flutter & Firebase. Created a cross-platform mobile application with full CRUD functionality using Firebase Firestore. Designed an intuitive UI with real-time data synchronization, significantly improving usability and responsiveness for end-users.

ACHIEVEMENTS & CERTIFICATIONS

- Certificate in Mobile App Development - NAVTTC.
- Certificate in SQL - Sololearn.

INTERESTS

Web application development, mobile app development, UI/UX design, cloud technologies, API development, database optimization, open-source contributions, and continuous learning in modern JavaScript frameworks.
